A Christmas message from Steve & Julie

Luke 2:19 *'But Mary treasured up all these things and pondered them in her heart.'*

Treasures are precious things to be kept safe - and it's worth remembering that the value of something is not always to be measured simply in monetary terms. In fact, what is priceless for us rarely holds the same value for others. Memories, special moments, and mementos that remind us of times and places and people are priceless. For Mary, so many remarkable events surround the arrival of her first-born son... her treasures of motherhood are also treasures of God's grace at work. Mary made room to both thoughtfully consider them and store them in her heart. Many more treasures would follow in years to come.

I wonder, what God-given treasures from 2019 are you pondering and making room for?

For Julie and me, this particular Christmas and year-end bring mixed emotions as we prepare to move from Rutland and leave behind our wonderful OBC family. On the other hand, we have much to thank God for - we have enough treasures to ponder in our hearts to fill a vault! Thank you, everyone, for blessing us with so many incredible times with God over the past seven years. We are enriched beyond our wildest imaginings.

Whatever the state of the world, whatever the election result brings, the Christian life should be a life of praise. Advent encourages us to anticipate God's intervention in the world and in doing so hasten the day of the Lord's coming. As Isaiah says, *'Lo, this is our God; we have waited for Him.'* (25:9 21KJ)

We pray God's blessing and peace on you this Christmas-time... and many more treasures from God for each of you.

Happy Christmas!

Love,
Steve & Julie

We need your Stamps!

Derek Green writes

"If you are a newcomer to OBC you may not be aware that for over 30 years we have been collecting used postage stamps, English and foreign, to donate to the Leprosy Mission, enabling them to raise many thousands of pounds annually in the alleviation of suffering.

With Christmas fast approaching could I ask, please, that you all cut out any used stamps from your incoming mail

(leaving a good margin around them) and, come January, you pass them on to me'

On a personal note, I have been a stamp collector (I refrain from using the term philatelist) for over 75 years and now have some 50,000 housed in about 80 albums.

Any stamps I receive in response to this request which do not form part of this collection I will "borrow" to increase that figure BUT I have now willed my entire collection to the Trustees of OBC to be sold or auctioned for the benefit of the Buildings Fund.

So, please, let me have those stamps!"
