Noahs Ark – God told Noah to build an ark and fill it with two of every animal. Once the animals were safely on the ark, it started to rain and the whole earth started to flood. When the rain stopped Noah sent out a Dove to find land.

The ark landed on a mountain and God put a rainbow in the sky as a promise to never flood the earth again. That's why we have a rainbow!

When I bring clouds over the earth and a rainbow appears in them, I will remember my agreement between me and you and every living thing. Floods will never again destroy all life on the earth. Genesis 9 v 14.15
