

Good morning all and Happy Easter!

Christ is risen! He is risen indeed!

Well, the weather has been glorious! We've been getting on with jobs around the house or in the garden. Taking exercise according to the Government's guidelines – but does anyone know what day it is? Oh yes, today is Sunday, although, to be honest, every day feels like Sunday at the moment.

I want to say, how are you all doing? But I can't hear your answers ... you could always email me ... [julieleefe@live.co.uk](mailto:julieleefe@live.co.uk) and tell me how you're getting on and what you think of the different types of "service" that we've been bringing you on the internet.

Here is the link to this morning's service on YouTube. Click on "April 12 Easter Sunday service" and it should play straight through.
