Talk Notes – No Arms, No Legs, No Worries

This week we hear about Nick Vujicic, he was born with Tetra-Amelia Syndrome which means he was born with no arms or legs. This is an amazing story of his which shows us to never give up or feel like you can't do anything.

Be thankful, dream big and never give up!

Questions –

Do you find that sometimes you get angry or upset over little things or other people?

Do you ever feel you are not good enough?

Do people put you down and make you feel like you are a failure?
