## BAPTIST CHURCH

Dear all,

After almost three months of lockdown and pandemic, we now find ourselves in another kind of storm. The killing of George Floyd by the Minnesota police has sparked an international outcry against racism.

This isn't the place for a preach on racism but below you'll find a link to the Baptist Together response to the death of George Floyd and I'd like to think that the leadership of Oakham Baptist Church and the church family can stand behind this statement.

Our Sunday service comes to you LIVE on YouTube at 10.30 am from Martin and Andy Gordon Kerr's living room. They will be sharing communion with us so make sure you have your bread and wine/juice handy. Julie Leefe brings us the next message in our series from Luke's Gospel looking at chapter 6 verses 37-45 which begin with Jesus's stern words "do not judge" – ouch!
