Talk Notes –

Francis Chan is talking to us about Doubt. He is being very real with us showing how we may have doubts in God.

The link with doubt is our prayer life. How is your prayer life with God?

‘God says know me and stay close to me and I will give you all these things.’

Read 2 Peter 1 v 11 – Talking about when you die and stand before God. Have you ever thought about the reception you will get when you get to heaven?
