

Hello everyone,

How are you doing? Has anyone been able to get away on holiday yet? New things become possible every week and we praise God for his goodness to us.

Something a bit different this week!

As usual, you can find the service on YouTube using the link below:

<https://youtu.be/1dHKqXEhve8>

This week, the service comes from all the leadership team including Rhoda – so thank you Jake, Tim, Val, Andrew, Merv, Lorraine, Neil and Rhoda for your brilliant contributions.

As we haven't been able to have a Church Members' meeting, we are using this service to update you on the work that the Trustees have been doing lately, a partial reopening of the church for small groups of people, the Church Accounts for 2019, a couple of new prayer initiatives, the latest outreach plans and an update on our search for a new Minister and much more.

The children's and young people's services which Rhoda has put together can be found on their YouTube channel here:

There are worksheets for all the children and young people as usual:

And there is an invitation for children to United Kids:

And as an alternative to the New Wine conference, there is an online version "United Breaks Out"

This is free and you are all invited to connect – running from July 30 to August 3 2020. Here is the Timetable for you to download and print out.

As we mention in the service, we would really value your feedback on these online services, and other aspects of church life as we plan how we can be church under the strange conditions that we find ourselves operating in under Coronavirus. Contact Tim or Julie or email [secretary@oakhambaptist.org.uk](mailto:secretary@oakhambaptist.org.uk).

Hope to see you soon

Every blessing

Julie
