## The Red Sea

Pharaoh changed his mind and wanted the Israelites back so he went after them with his army.

The Israelites reached the Red sea and there was nowhere else to go. God told Moses to take his staff and raise it over the sea. Moses did this and the Red sea parted and the Israelites walked through to the other side.

Once they were through, Moses raised his staff again and the sea went back to normal and drowned Pharaoh and his army.

## THIS WEEK'S Memory Verse

*A thief comes to steal and kill and destroy, but I came to give life—life in all its fullness.  
John 10 v 10*
