This week... The Rich fool

Someone in the crowd said to Jesus, "My father has died, can you tell my brother to divide with me the property our father left us." Jesus said "It is not my place to sort this argument out" Jesus turned to the crowd, "do not be greedy"

He then told a story about a rich man who had some land and grew his crops. He then ran out of room for all of the crops so he demolished his barns and built bigger ones.

God then said "Foolish man, tonight you are going to die, who will get all your property then."

Those who collect wealth for themselves are really poor as they do not have a friendship with God.

Memory Verse...

Don't store treasures for yourselves here on earth where moths and rust will destroy them and thieves can break in and steal them. But store your treasures in heaven.

Matthew 6 v 21
