*This Week...* The Parable of the Great Banquet

Jesus went to eat at the home of a Pharisee when one of the men at the table said: "those who will attend God's feast will be blessed greatly".

Jesus answered him in a story.

A man arranged a great feast and invited a lot of people, when everything was ready he asked his servant to tell the guests. All of the guest made excuses to not go. One bought a field and said he needed to look after it. Another bought animals and had to feed them. The third person couldn't attend because they got married.

No one wanted to attend the feast. So the man got his servant to go out into the town and get the all poor and hungry people to come along for the feast instead.

*Memory Verse...*
