When Jesus was 12

Every year Mary and Joseph went to Jerusalem for the Passover feast. When Jesus was 12 he went along with them. Jesus stayed behind but his parents didn't know.

His parents were looking for him and found him 3 days later sitting in the Temple with the teachers where he was listening and learning from them.

They told Jesus they were really worried about him but he said to them that he was in his Father's house. He then went home with them where he grew stronger and wiser.

*Whatever you do, do it all for the glory of God.
